

# Why Sponsor?

Step into the enchanting world of BAPAC's youth theater, where the stage comes alive with the incredible impact of your sponsorship. As the curtain rises, a hushed awe fills the audience, knowing that it's your generous support that has breathed life into this mesmerizing production.

But our mission goes beyond just putting on a show; it's about the profound transformation that unfolds with each performance. Your sponsorship fuels the captivating journey of young minds as they explore their true selves, expressing their unique identities through the art of performance. And that's not all - along the way, these budding talents form unbreakable bonds, creating a close-knit community that treasures the magic of the performing arts.

Your involvement can be the spark that ignites inspiration, empowerment, and a bright future for these young stars. Together, we can provide them with a stage to shine and a place they can call home. Let's join hands in turning dreams into reality and fill the hearts of Tampa Bay's young artists with the sheer joy of theater!

## **Your generous contributions help fund:**

- Tuition Assistance for in-need students and performers
- Essential production elements such as sets, costumes, props, lighting equipment, and more.
- Rights to shows for productions and educational programs
- Administrative and maintenance costs to keep BAPAC programs running and growing
- Expansion of offerings to current and new age groups and experience levels

## **BAPAC's Mission**

Bay Area Performing Arts & Casting is a non-profit production company committed to encouraging and equipping young performers to meet professional standards in the arts. We accomplish this through classes, workshops, competitions, and live performances.

Our award winning, diverse group of students, ages 8-18, have represented the Tampa Bay Area at theme parks, original works presentations, fundraisers for community events, awards shows, national competitions, and film festivals. We incorporate a casting component that works as an encouraging network for our members to find, prepare for, and participate in professional opportunities inside and outside of our community.

We recognize that even if children are extraordinarily talented for their age, they are still impressionable young people who need encouragement, support, and a safe place to take risks while becoming their authentic selves. Serving the community through quality arts and charitable donations is a core value of our group.

BAPAC is a registered 501(c)(3) non-profit organization.
